Strength Upon Strength

From the Desk of the Managing Director

Dear Friends,

It is indeed a great pleasure for me to express my gratitude to all Share Holders and Customers, whose contribution has transformed our Organization into a Public Limited Company. **Hindcon Chemicals Limited** is now a listed company on the **NSE - EMERGE, The SME Growth Platform** from **9th March 2018**.

Our business continues to grow steadily and we have recently employed Engineers from reputed Engineering College, from the Chemical & Civil Engineering Branch to cater to the queries & needs of our valued Customers.

The Present Environmental situation is becoming worst day by day and we are in the continuous process to develop **New Green Products** to save the Environment and at the same time contribute to create a healthy atmosphere for all human being to stay in this universe.

I also express my sincere gratitude to all staff members who over the years have built up such strong relationships with all the satisfied clients.

Finally, I conclude with a big thank you to all, for your continued support, which has made our organization reach the present position.

Regards

SANJAY GOENKA
