

HINDCON NEWS BULLETIN

From January 2023 to September 2023 Issue No.16

From the Desk of the CMD

Dear Friends,

As we are on the verge of completion of the financial year 2022-2023 and usher into the new financial 2023-2024, I want to convey my best wishes and greetings to all our well-wishers and stake holders. May the ensuing occasion like **Ganesh Chaturthi, Viswakarma Puja, Durga Puja and Diwali** bring into your lives lot of joy and happiness. Hindcon Chemicals Limited is very much eager to be a partner by bringing you and your loved ones closer to each other.

We are steadily progressing to improve our financial status and our dedicated activities catering to your needs with the development of new products and active services. The setup of our modern new factory at Rajballavpur, Munsirhat, West Bengal with the state of the art facilities is in the advanced stage of construction and will start production with a higher capacity by next year.

We, have kept our commitments made to all of our **Stake Holders** by offering dividends for the last financial year **2022-2023**.

We congratulate **Neeraj Chopra** for making India Proud for winning the gold medal in Javelin throw at the **World Athletics Championship 2023** and also **Rameshbabu Pragnandhaa** for advancing to the finals of **Chess World Cup 2023**.

We are also proud and encourage all the players of the **Indian Hockey Team** for winning the fourth title in the **Asian Champions Trophy 2023**.

Looking forward to be favored with your valuable support again and again so that we can march ahead maintaining a steady growth rate in years to come.

Regards,
SANJAY GOENKA
